Earn Your CEs Through Distance Learning Focused on Consulting Psychology!

SCP is building a robust library of **APA CE-Approved Consulting Psychology Sessions** to provide individuals in our field more opportunities to earn their CEs focused on content relevant to them. Conference Attendees will have the opportunity to complete the sessions from this conference through the distance learning platform at a significantly reduced rate. More information will be provided via the SCP listserv.

**** Where “Video Recording” Is Noted in this Agenda:** This indicates the session will be videotaped for the purposes of offering a distance learning session after the conference. While the video will be focused on the session speakers, attendees could be recorded through session participation, such as asking questions. By choosing to attend one of these sessions, you are acknowledging you might be recorded.**

*Division 13, the Society of Consulting psychology is approved by the American Psychological Association to sponsor continuing education for psychologists. The Society of Consulting psychology maintains responsibility for this program and its contents.
